

# BLACK ROCK TURNPIKE SAFETY STUDY

# PUBLIC MEETING

*Join us to learn more about this study and provide input to help create a safer, more multimodal Black Rock Turnpike!*

Wednesday, June 7th

7:00 PM – 9:00 PM

Osborn Hill School  
All-Purpose Room  
760 Stillson Rd  
Fairfield, CT 06824

**We want to hear what you think** about the issues and opportunities for all those who travel along the Turnpike, including motorists, bicyclists, pedestrians, and transit users.

The meeting will begin at 7:00 PM with an informal open house. A brief presentation will begin at 7:15 PM, followed by a chance for you to ask questions and provide input.

Make sure to take the online survey before it closes to tell us what you think about the Black Rock Turnpike! We'll be reviewing the survey results at this 6/7 Public Meeting.

Click the Online Survey link and learn more about this study on the project website: <http://bit.ly/blackrocksafetystudy>
