In accordance with federal planning regulations, the USDOT must jointly certify the transportation planning process in the Bridgeport-Stamford Transportation Management Area

The transportation planning process as conducted by the Greater Bridgeport Regional Council and Valley Council of Governments, under the jurisdiction of the GBVMPO will be reviewed and evaluated.

The public and interest groups are encouraged to attend the meeting. Interested persons and elected officials may address the review committee during the open forum.

The agenda on the next page provides for a review of all aspects of the MPO's transportation planning process.

Additional information on the certification review process is posted at www.gbrct.org and www.valleycog.org.
